## Volunteer with the Leacock Foundation

Confront inequity by empowering children and youth to  
be confident leaders now and in the future

### The Leacock Foundation:

For the past 31 years, [The Leacock Foundation](#) has empowered Toronto's underserved youth in grades SK to 12 with enriched, fully subsidized literacy and leadership development after school and summer programs.

**Desired area(s) of practice:** Any

**Time commitment:** 2 to 4 hours per session

**Experience level:** Any

**Location:** Toronto (in person)

### Current volunteer opportunities:

Event	Description	Date and time
<b>Host a Math Afternoon</b>	Co-plan with the Leacock Foundation team a Math Afternoon where children participate in math-related activities, including those that promote physical literacy, facilitated by the Actuarial Foundation of Canada volunteers. Materials will be provided by the Leacock Foundation.	March 13, 12:45-14:45 ET
<b>Academic support</b>	Participate in small group or individual academic support in the classroom.	March 13, 2-4 hours within 9:00-14:00 ET
<b>Career fair</b>	Participate in career presentations and discussions in a small group or full class setting where volunteers share career paths related to math with students.	March 13, anytime between 9:00-14:00 ET
<b>Community Showcase</b>	Attend the Community Showcase event to learn about children's culminating projects. Volunteers will ask questions and provide feedback according to a predetermined criterion.	March 15, 13:00-14:30 ET

### Key benefits of volunteering:

- Enhance your leadership, planning, presentation and communication skills.
- Network with other like-minded volunteers.
